# APPLICANTS

---

We are delighted to provide you with information about our exciting opportunities for international applicants.

## ERASMUS PROGRAMME OFFER

As an international applicant, you can choose to study at FTVS (Faculty of Physical Education and Sport) through the Erasmus programme, either as a Bachelor and Master Degree Students or Ph.D. Students.

The Erasmus programme allows you to spend either one or two semesters with us, providing the unique Prague experience in our dynamic academic and cultural environment.

## FULL DEGREE OFFER

We offer Full degree study programmes, for the entire duration of your studies. This choice grants you the opportunity to study at a well rated university, learn from the best faculty experts and explore more of what Charles University can offer.

### International experience

As an international student at FTVS, you will have the opportunity to engage with a diverse community of peers, participate in cultural exchanges, and collaborate on various projects and initiatives. Our faculty organizes International Events, workshops, and seminars, creating a stimulating and inclusive environment for personal growth and professional networking.

Explore our website, check out our Youtube channel and follow our faculty on Instagram !  
We have a special Instagram account for international students.
